AutoHeatControl

Simple yet effective, Sharp puts the most common cooking tasks at your fingertips, allowing you to boil, fry, melt chocolate and keep your food warm at the touch of a button.

InductionBoost

Maximum power in seconds for a speed-up heating and a cooking time reduction.

SliderTouch

Intuitive sliding controls allow you to select the power level easily.

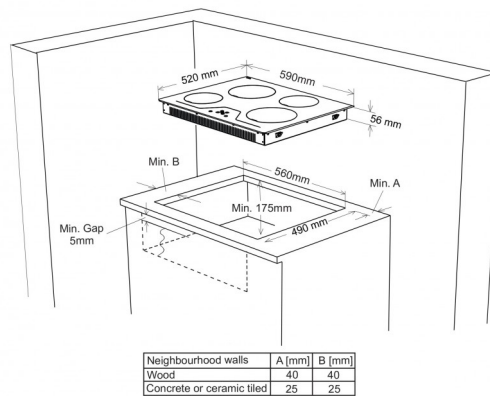

Stop&Go

Freeze time when you need to. Our Stop&Go technology allows you to pause and take that all important call when cooking, then press again to continue.

Installation of 60cm Induction Hob
