Easily adjust the position of the door trays to suit your needs.

#### Crisp Zone

We all want our fruit and vegetables to be perfectly fresh and crisp, the Crisp Zone makes sure they are kept the way they should be.

#### GentleAirFlow

This advanced air flow distribution circulates the cold air through the whole fridge meaning that no food is exposed to direct cold air which can dry food out.

#### LED Interior Lighting

Harsh lighting never flattered anyone but with delicate LED lighting the food is illuminated just right for those midnight snacks meaning you can see everything your fridge has to offer.
